

FAQ ABOUT STORAGE CONTAINERS

CAN I RENT A STORAGE CONTAINER INSTEAD OF PURCHASING ONE ?

When you need storage for a certain period of time, a rental container is often the best solution available to you.

At **CONTENEURS S.E.A.**, we offer rental storage containers. All our rental storage containers have been in the fleet for less than three years. We also have a wide range of products, which you can choose from and buy.

CAN I GET MODIFICATIONS MADE TO MY STORAGE CONTAINER?

For those customers who require storage container modifications, we offer the option of custom containers. Our services include, but are not limited to:

- Installation of pedestrian and roll-up doors
- Addition of windows and casements
- Creation of mobile welding workshops
- Industrial paint jobs and special effects

HOW CAN I IMPROVE THE SECURITY OF MY STORAGE CONTAINER?

Security cannot be ensured when normal padlocks are used since a thief who has a bolt-cutter will be able to cut through these in a few seconds. Thus, you will have to invest in heavy-duty padlocks which are made with hardened steel. The good thing about these padlocks is that they are able to resist prying, sawing, and rusting. You can add a layer of security to your padlocks by using lock boxes.

IS THERE ANYTHING I CAN'T PUT IN A STORAGE CONTAINER ?

Any items that are flammable, hazardous, explosive, toxic or illegal are not allowed to be stored within storage containers.

DO I NEED TO PURCHASE INSURANCE FOR MY BELONGINGS?

We recommend obtaining content insurance. You can contact us with any questions about our secure storage facility. Our team will assist you with getting the required insurance.
